

Re-registration for Religious Education Classes!

March 29, 2010

General Information:

- Complete and return the enclosed registration form by mail ***no later than April 23rd***.
- Younger siblings, new to the program, may be added to the form.
- Payment at registration is preferred. *If there is a financial need, please register your children now and bring the need to my attention.*
- **Families returning forms and payment by April 23rd take a \$25 tuition discount per family. The discount will not apply after this deadline.**
- Please consider volunteering your time as a catechist, substitute, or office assistant.

New This Year: Summer Program, Grades 1 – 6:

- Families may opt for the two-week summer program, which meets from August 2 through August 13, 8:30am to 11:30am. This 30-hour program, along with attendance at various parish liturgical prayer services and events throughout the year, is in lieu of weekly Religious Education classes.
- Attendance all days, both weeks, for the full session, is required.

Important Reminders:

- **MAIL FORMS EARLY** to insure your first choice of class assignments and to accommodate carpool requests. Once classes for a particular day become fully registered, you will be asked to register for a different day.
- Do not to wait until the summer to register – especially when specific class days are needed.
Accommodations will not be made when forms are mailed back late!
- ***Teacher assignments are at the discretion of our office.*** We cannot accommodate personal requests.

Emergency Instant Alert Notification Procedures:

The Honeywell Instant Alert System is the main source of our communication to you for emergency situations (evacuations / lockdown), weather closings and special announcements.

It is the PARENT RESPONSIBILITY to activate profiles with emergency contact information and to review and update this information annually.

Please log on and activate / review your family profile: <https://instantalert.honeywell.com>

Thank you for your cooperation with our registration process.

Yours in Christ,

Dr. Linda M. Dix, D.Min.
Director of Religious Education
