**Religious Education Endowment**

The cost to educate one child in the Religious Education Program is approximately \$200.00 a year. Families are asked to consider paying that fee rather than the regular registration fee. The extra amount will be put into the **Endowment Fund**. This revenue will be used exclusively for children coming for weekly religious instruction.

Any parishioner who would be in the position to contribute to the build up of this **Endowment Fund** is encouraged to do so. Our goal is to make it possible for families to pay the lower cost while the **Endowment Fund** would contribute the balance.

**Guidelines and Policies**

Guidelines and policies of the Religious Education Program are stated in the Parent Handbook that is distributed to all enrolled families each year. By enrolling your child in the Religious Education Program of Our Lady of Good Counsel Parish, you are thereby agreeing to support all parish policies, rules, and regulations.

Separate Sacramental handbooks are prepared and distributed outlining the specific guidelines and policies pertaining to First Reconciliation, First Holy Communion, and Confirmation.

All families are required to activate their **Honeywell Instant Alert** profiles with current emergency contact information, and review information annually.
